2. Background

- 2.1 The Authority has a Code of Corporate Governance in place, and the latest version was approved at a meeting of the Authority held on 21st April 2017. This code is based on a framework recommended by CIPFA/SOLACE which defines standards of good corporate governance.
- 2.2 A Primary Assurance Group (PAG) has been established and is responsible for the continuing assessment and review of the Authority's corporate governance arrangements in line with the above code. The group consists of the Authority's Statutory Officers in consultation with the Chief Executive
- 2.3 As part of the continuing assessment PAG undertake periodic reviews of the previous year's Improvement Action Plan to ensure progress is being made. A final progress report on the 2017/18 Improvement Action Plan is attached at Appendix 2.
- 2.4 PAG has also undertaken its annual assessment of internal control and governance arrangements for 2018/19, the findings of which are presented in this report.
- 2.5 On the basis of these findings of both reviews, the Annual Governance Statement for 2017/18 is attached at Appendix 1 for Members' approval and inclusion in the Statement of Accounts 2017/18 to be published later this year.

3. Annual Assessment and Review

- 3.1 The Primary Assurance Group has undertaken its annual review which included:
- a review of the Code of Corporate Governance
 - a review of the progress made in relation to the improvement plan agreed during last year's review;
 - the annual assessment of the Authority's compliance with the Code of Corporate Governance and the identification of improvements to strengthen arrangements in the forward year.
- 3.2 As part of the annual assessment, the Primary Assurance Group reviewed the work undertaken to deliver last year's Improvement Action Plan. The majority of actions have been completed and those which are still ongoing have been carried forward to 2018/19.
- 3.3 For Members' information, the Improvement Action Plan for 2017/18 has been updated to indicate progress made in the year and is attached at Appendix 2.
- 3.4 This year's assessment noted the work undertaken during 2017/18 to strengthen the Authority's internal control and identified new areas for improvement. A copy of the Improvement Action Plan for 2018/19 is attached at Appendix 3 and a full copy of the annual assessment is attached at Appendix 4.

 - The development of a Data Management Strategy to enhance the Authority's data related and data dependant capability (CG12)

4. Quality Assurance

- 6.1 Regulation 6 of the Accounts and Audit Regulations 2015 requires authorities to prepare and approve an annual governance statement.
- 6.2 The CIPFA/SOLACE Framework defines the form and content of the governance statement to meet the requirements of the above regulations. The format of the statement was updated by CIPFA/SOLACE in 2016 and the proposed statement attached at Appendix 1 is based on this.
- 6.3 The guidance states that 'A good governance statement should be an open and honest assessment of the organisation's performance across all of its activities, with a clear statement of the action being taken or required to address areas of concern.'
